Information Items

Mrs. Tina Schmitz, Chief Financial Officer, presented the Monthly Financial Statements as contained in the agenda and indicated we are on target.

Fiscal 2013-2014 Budget Status

Mrs. Schmitz presented the Fiscal 2013-2014 Budget Status. She said timing of budget preparation is different this year because we are waiting to see what comes down from the state. She said Administration has built a conservative preliminary budget. There is a slight increase in state aid but no increase in per student funding. We also do not know the outcome of vouchers. Mrs. Schmitz said we have built in a decrease of 100 student FTE and noted that revenue is somewhat flat at this time. We have built in savings from employee retirement contributions and health insurance. She said we do not yet know the actual cost for health insurance and we are working to decrease overall expense. We have built in a minimal increase in other operating expenses and are working to maintain and restore the fund balance. She noted that Board policy calls for a fund balance amounting to 15% of the budget. This year we are planning to add \$3 million to the fund balance but we will still be under 8% of the operating budget. Mrs. Schmitz noted the decline in our Moody's rating over the years. In June we plan to bring prelim budget with assumption details to the Audit/Budget/Finance committee.

In response to an inquiry, Mrs. Schmitz discussed the ramifications of our Moody's rating over the years. Mr. Bryan requested a copy of Mrs. Schmitz' analysis over the last ten years. Mrs. Schmitz responded to questions regarding health insurance and said we will issue a RFP for health insurance benefits.

Mrs. Schmitz said the 2014 budget will contain no layoffs or staff reductions and we will add staff at all three levels. She said that 99% of staffing additions are in the schools. Mrs. Glass provided an update on the health insurance RFP. She is expecting results from brokers this week and will bring info to Board. It was noted that we want to continue to recruit, attract and retain employees but to also get our health care costs under control. Mrs. Glass said an audit will be conducted of our health care plan and the benefits task force will be reconvened. Mrs. Schmitz said for 2014 she is planning to add \$1 million to fund balance.

Future Agenda Items

Mr. Kent commended Mr. Gallo for his time on this committee and on the School Board. Mr. Gallo thanked the Board for the opportunity to serve on the committee and for the support of the Board members.

Mrs. Daghfal requested that in May the Curriculum/Program Committee be the first meeting of the evening due to a District sports event that her child and Miss Galli would be participating in that night. Dr. Hancock noted the reason for consistently scheduling the Curriculum/Program Committee as the last meeting of the night is due to the length of those meetings and the desire not to make the members of the other three committees wait since those meetings are shorter in length.

Meeting adjourned at 8:09 P.M.
