will utilize the new race/ethnicity categories whereas previous cohort will use the former categories.

It should be noted that a few changes regarding high school completion were put in place during the recent past. In April 2012, the Kenosha Unified Rule 6456 *Graduation Requirements* was updated. Effective for the Class of 2013 was a change in the high school graduation credit requirement, which reduced the required number of credits from 26 to 23. The minimum credits for Social Studies, Math and Science were each reduced from 4 to 3 credits. Currently, Wisconsin High School Graduation Standards contain a minimum requirement of 3 credits for Social Studies, 2 credits each for Math and Science, and 21.5 credits overall. Rule 6456 also added a Community/Service Learning requirement beginning with the Class of 2013 and an Online Learning Experience beginning with the Class of 2016. Another change was implemented in September 2013; the standardized assessment used in the High School Competency Diploma Option transitioned from the paper and pencil Iowa Tests of Educational Development (ITED) to the Iowa Assessment, an on-line version that is aligned to the Common Core Standards.

At its January 13, 2015 meeting, the Curriculum /Program Standing Committee reviewed and accepted the 2013-

the noted changes to the policies from the November 20, 2014, special meeting were sent to board members for their review. Shortly following this meeting, Mr. Flood submitted a draft proposal of a new Student Advisory Council policy.

In December, legal counsel at Buelow, Vetter, Buikema, Olson, & Vliet reviewed the revised 8000 policy series and questions brought forward by board members during their review. A copy of the response from the legal counsel is included as Attachment 1. It is suggested that board members review our legal counsel's responses in red on Attachment 1 and make final decisions on those policies (8510, 8651).

It is recommended that the school board review input from legal counsel and approve the 8000 policy series (Attachment 2) as a first reading on January 27, 2015, and as a second reading on February 24, 2015.

Board members discussed the following suggested changes to the revised 8000 policy series:

The removal of the definition of immediate family from Policy 8651 – School Board Member Conflicts of Interest;

The addition of Introduction, Welcome, and Comments by Student Ambassador to the order of business in Policy 8712 –

Board members discussed their concerns of student interest, student attendance, the addition of another committee, and the specifics of agenda topics and agenda creation. It was suggested that questions pertaining to a proposed Student Advisory Council be included in the student culture and climate survey

district using an Alternative Open Enrollment Application during the current school year if the applicant can demonstrate that he/she meets certain criteria.
