Dr. Savaglio-Jarvis presented the School Year 2019-20 Instructional Calendars submitted by Mrs. Lorien Thomas, Research Analyst; Mrs. Annie Petering, Chief Human Resource Officer; Mr. Keckler; and Dr. Savaglio-Jarvis, excerpts follow:

“The proposed 2019-20 instructional calendars continue to follow a traditional format to address the Wisconsin requirement of instructional minutes. The few variable optional calendar options were developed from feedback from past staff and parent/guardian surveys. These would include extended breaks, parent/teacher conferences, and early release formats.

The existing Wisconsin state requirements stipulate that elementary schools must meet a minimum of 63,000 minutes (1,050 hours) of instruction. Secondary schools have a requirement of 68,220 minutes (1,137 hours). The proposed calendars not only meet those requirements, but also include enough minutes for the equivalent of two full instructional days to cover any potential school cancellations.

Administration recommends that the School Board review and accept the proposed 2019-20 Instructional Calendars at its June 26, 2018, meeting.”

Mr. Battle moved to approve the 2019-20 Instructional Calendars. Mr. Kunich seconded the motion. Unanimously approved.

Dr. Savaglio-Jarvis presented Policy and Rule 6450 – Early College Credit Program submitted by Mr. Keckler and Dr. Savaglio-Jarvis, excerpts follow:

“Wisconsin Act 307 provided some minor clarification to the recently adopted Early College Credit Program for high school students who wish to participate in postsecondary course offerings. Though the state legislature established the initial approval for this new program which goes into effect on July 1, 2018, the first posting failed to address the existing and prevalent cost sharing scenarios develop in partnership between districts and postsecondary institutions. Without this clarification, school districts would be liable for covering postsecondary enrollment costs above and beyond the intent of the original bill.

The original language requires the school district to cover a range of enrollment costs depending on the credit bearing options selected by the student. This range is 25% (for just postsecondary credit) to 75% (for high school credit) of the actual cost of tuition for the course at the postsecondary institution.

The proposed revision aligns to the new language, with conditions provided that exclude the cost sharing burden for these local partnerships.

Administration recommends that the Board of Education review and approve the Policy and Rule 6450 Early College Credit Program revisions as a first reading at the

In addition, the language in the Administrative Regulation 1210 and Policy 1211 have been incorporated in the body of the policy, eliminating their need.

Policy and Rule 1200 are being recommended for elimination because the information outlined is more procedural than policy, is outdated, lists the wrong departments, and those items related to policy are already covered in Policy and Rule 1210 and Policy 8610. Policy and Rule 1210 is inclusive of how families and stakeholders will be communicated with at all times and the channels in which that shall occur, elimination of Policy and Rule 1200 eliminates confusion and redundancy.

Administration recommends that the board approve revised Policy and Rule 1210

and employment pathway in the healthcare field. The target group for this pilot project will be students with individual education plans in 10th and 11th grade.

Students will participate in a Certified Nursing Assistant (CNA) training program taught by Gateway Technical College staff located at Froedtert Hospital South Campus in Kenosha. The location of the training course at the hospital provides students a unique opportunity to learn and practice CNA skills in a setting identical to their clinical practicum. The structure of this training program will provide students a total immersion experience including the option of living in a dormitory setting at the Froedtert Hospital campus during the CNA clinical training (Appendix A).

The project model will be implemented in two phases. Phase I is designed to meet the individualized needs of students through the differentiation of pacing and targeted classroom instruction. The focus will be to prepare students to meet the entrance requirements for the CAN class (ACT score of 15 or Accuplacer score of 237 in Reading). Classroom lecture will be paired with “hands-on” clinical practice offered in a hospital setting. Phase II will be an on-site CNA clinical experience

The project period covered by this application is July 1, 2018, through June 30, 2019. If funding for the grant does not continue beyond the 2018-19 school year, it will be difficult, without community financial partnerships, to continue funding the portion of the grant dedicated to supporting the indirect time of community-based therapists for collaboration and consultation with Kenosha Unified School District school staff; therefore, if funds are not available, this opportunity will dissolve.

Administration recommends that the school board approve the application for the Transition Readiness Grant in the amount of \$31,393 and to implement the grant if received from the Wisconsin Department of Public Instruction.”

Ms. Stevens moved to approve the application for the Transition Readiness Grant in the amount of \$31,393 and implementation of the grant if received from the Wisconsin Department of Public Instruction. Kunich seconded the motion. Motion carried. Mr. Duncan abstained.

Dr. Savaglio-Jarvis presented the Request to Submit the Wisconsin Fast Forward-Advanced Manufacturing Technical Education Equipment Grant to the Wisconsin Department of Workforce Development submitted by Mrs. Kothe, Mrs. Housaman, and Dr. Savaglio-Jarvis, excerpts follow:

“The Wisconsin Department of Workforce Development will award this competitive grant to eligible applicants who demonstrate a need for acquisition of equipment used in advanced manufacturing fields in the workplace. The grant seeks to support school districts that are providing workforce skills training for the high demand fields in advanced manufacturing.

Applicants are required to identify the specific target occupations for their training and to demonstrate the demand for jobs and career opportunities in that advanced manufacturing industry.

The Wisconsin Fast Forward – Advanced Manufacturing Technical Education Equipment Grant focus is the purchase of equipment to support the Industry 4.0 instruction. Kenosha Unified School District will begin to offer this course in the 2018-19 school year.

The current equipment in our schools does not meet the need of training students for the fourth industrial revolution. If we want to prepare our students to work in our local industries, we need to update equipment and up-skill our teachers. GTC has agreed to provide the training to our teachers in the summer and provide a stipend to teachers for the time spent in training. GTC selected the equipment that is required to teach the courses to ensure that it will meet the needs of local employers.

First Technologies Inc. has donated equipment to help prepare our students before entering the first two advanced manufacturing courses. Perkins Grant funding will pay for the equipment in the second course and the online learning platform. This grant will support the purchase of equipment essential for the first course in the Industry 4.0 pathway.

Administration recommends that the school board approve the application for the Wisconsin Fast Forward – Advanced Manufacturing Technical Education Equipment Grant in the amount of \$50,000 and to implement the grant if received from the Wisconsin Department of Workforce Development.”

Mr. Kunich moved to approve the application for the Wisconsin Fast Forward – Advanced Manufacturing Technical Education Equipment Grant in the amount of \$50,000 and the implementation of the.a29 -1.15 Td -1.d

Approval from the Board of Education is requested to submit and implement the Supplemental Head Start Federal Cost-of-Living Adjustment (COLA) Grant for the 2018-2019 school year.”

Ms. Stevens moved to approve the submission of the Supplemental Head Start Federal Cost-of-Living Adjustment (COLA) Grant and the implementation of the grant if received. Mr. Garcia seconded the motion. Unanimously approved.

Dr. Savaglio-Jarvis presented the Authorization of 2018-2019 Expenditures Prior to Formal Adoption of the Budget presented by Mr. Hamdan and Dr. Savaglio-Jarvis, excerpts follow:

“The budget adoption cycle for Wisconsin school districts is such that school boards do not adopt a final budget until October of each year, despite the fact that the fiscal year begins in July. The primary reason for this delay is that many of the factors needed to finalize the budget are not known until October. Equalized property values and official 3rd Friday student counts will not be known until the end of September. Certification of state aid from the Department of Public Instruction (DPI) will not occur until October.

It is customary for school boards to approve a resolution authorizing district administration to expend funds between July 1 and the time that the budget is formally adopted in October.

Administration recommends that the Board authorize the payment of all currently authorized salaries and benefits beginning July 1 and continuing until the budget is formally adopted.

Administration also recommends that the Board authorize expenditures in other areas to continue at the discretion of the administration. Expenditures should not exceed 34 percent of the funding authorized in the prior year’s budget, unless specific board action has occurred to modify specific programs or activities.”

Mr. Kunich moved to authorize the payment of all currently authorized salaries and benefits beginning July 1 and continuing until the budget is formally adopted and to authorize expenditures in other areas to continue at the discretion of the administration without exceeding 34 percent of the funding authorized in the prior year’s budget, unless specific board action has occurred to modify specific programs or activities. Mr. Battle seconded the motion. Unanimously approved.

Mr. Kunich presented the Donations to the District.

Mr. Kunich moved to approve the Donations to the District. Ms. Stevens seconded the motion. Unanimously approved.

Mr. Kunich moved to adjourn the meeting. Ms. Stevens seconded the motion. Unanimously approved.
